## BUILDING A SUSTAINABLE FUTURE TOGETHER

Environmental, Social and Governance (ESG) principles guide our decisions, actions and future.

### E ENVIRONMENT

Protecting our planet

### S SOCIAL

Respecting people and communities

### G GOVERNANCE

Doing the right thing the right way

#### Climate Action

Reduce greenhouse gas emissions and take action against climate change.

#### Energy Efficiency

Use energy wisely and invest in clean, renewable energy solutions.

#### Resource Management

Conserve water and other natural resources.

#### Waste Reduction

Reduce, reuse and recycle to minimize waste and promote a circular economy

#### Our People

Promote a safe, inclusive and respectful workplace. Support wellbeing, diversity & equal opportunities.

#### Health & Safety

Protect the health and safety of our people and partners.

#### Community Engagement

Build strong relationship and contribute to the communities where we operate.

#### Learning & Development

Invest in our people's growth skills and future.

#### Ethical Business

Act with integrity, honesty and transparency in everything we do.

#### Good Governance

Maintain strong oversight, clear policies and responsible leadership.

#### Data Privacy & Security

Protect information and respect the privacy of our stakeholders.

#### Risk Management

Identify, assess and manage risks to create long-term value.
